LICENSING AGREEMENT

Between

The Secretariat of the United Nations Framework Convention on Climate Change, the Kyoto Protocol, and the Paris Agreement

And

The Institute for Climate and Sustainable Cities (for the Independent Global Stocktake Southeast Asia Hub)

THIS Agreement is entered into between the secretariat of the United Nations Framework Convention on Climate Change, the Kyoto Protocol and the Paris Agreement (the “secretariat”), located in Bonn, Germany, and the Institute for Climate and Sustainable Cities (ICSC), located in Quezon City, (the “Licensor”), each a “Party” and collectively referred to as the "Parties".

The Licensor is the copyright holder of the content described in the attached annex (Annex 1: Content Description) which forms part of this Agreement (hereinafter “the Licensed Content”). The Licensor hereby grants to the secretariat a perpetual, non-exclusive, sub-licensable worldwide license to reuse, reproduce, publish, disseminate, exhibit and otherwise use the Licensed Content free of any royalty or fee, in any media and any form (including electronic). This includes distribution on the secretariat’s website and third-party sites such as YouTube, Twitter and Facebook. The secretariat will not sell the Licensed Content individually or as a collection, but may use the Licensed Content in its publications. In addition, users of the secretariat’s website will be permitted to use the Licensed Content for private study, research, educational or other non-commercial purposes. Any requests that the secretariat receives to use the Licensed Content for purposes other than those identified above will be forwarded to the Licensor.

Copyright in the Licensed Content shall remain vested in the Licensor, who retains all rights not specifically granted under this Agreement. The Licensor’s copyright in the Licensed Content shall be acknowledged by the secretariat. The Licensor shall provide the credit line, date, caption, and description for each Licensed Content.

The Licensor warrants to the secretariat that the Licensor is the sole and exclusive owner of all rights, titles, and interests in the Licensed Content and that it in no way violates any existing copyright of a third party, and that the Licensor has the power to grant the rights set forth in this Agreement. The Licensor shall indemnify the secretariat for legal liability incurred by it on the grounds that the Licensed Content are a violation of these warranties.

In the unlikely event of any dispute arising in relation to the interpretation or application of this Agreement, the Parties shall use their best efforts to settle amicably any dispute, controversy or claim arising out of or in connection with this Agreement or the breach, termination or invalidity thereof. Any such dispute, controversy or claim which is not settled within sixty (60) days after receipt by one Party of the other Party’s written request for such amicable settlement, shall be referred by either Party to arbitration in accordance with the UNCITRAL Arbitration Rules then obtaining. The decisions of the arbitral tribunal shall be based on general principles of international commercial law. Nothing herein shall constitute or be considered to be a limitation upon or a waiver of the privileges and immunities of the UNFCCC secretariat, which are specifically reserved.

I am the copyright holder and I have read and understood this Agreement.

Annex 1: Content Description

Poster submission of the Institute for Climate and Sustainable Cities (ICSC) and Institute for Global Environmental Strategies (IGES) to the third technical dialogue of the first GST for Independent Global Stocktake (iGST) Southeast Asia (SEA).

The poster outlines the key focus areas and working groups of the iGST SEA Hub to champion a purposive Global Stocktake (GST) that empowers non-state actors (NSAs) in the region to actively participate in analyzing and assessing the progress of achieving the Paris Agreement’s goals.
